

TIPS FOR KIDS

Staying at home doesn't have to be boring!

Would you like to listen to a story? In the digital **Wuselstunde** stories are read out loud for you. Every day at 11 a.m. for 4-7 year olds and at 3 p.m. for 7-10 year olds on: wuselstunde.de

Or build your own cave using blankets, a table or chairs. Who is allowed to live in the cave with you? Maybe a cuddly toy? Tell your cuddly toy a story.

Build a house out of cardboard boxes. Or even a car, a boat or a plane? Off you go! Where do you go? What is it like there? Who do you meet? Each room can be a different country. Go fly to the dragon land.

How about playing circus? Who wants to be the lion? Who is the clown and who the circus director? Who else is in your circus? Make your own programme and perform in front of your parents.
